Dear Resident,

World Pipe Band Championships – Friday 17th & Saturday 18th August 2018

The World Pipe Band Championships is returning to Glasgow Green and continues with the same format as last year. This letter explains the impact in your area and the alternative access and parking arrangements which will be put in place for you.

On Friday 17th August, we will host the Grade One qualifying event. Saturday 18th August will be the main event day across the whole of Glasgow Green. As well as the World Pipe Band Championships, the event will also feature the highland games, highland dancing, a kid's zone and a food and drink area celebrating Scottish produce.

We understand and appreciate the importance of maintaining use and access to as much of The Green as possible for the public. For safety reasons and in line with construction regulations, we will have to restrict access to certain areas of The Green from Sunday 12th August to Tuesday 21st August 2018. We have committed to keeping open for the entirety of the build and de-rig, the riverside path, St Andrews Bridge and the play park on the West of the Green. For public safety, the play park on the West of the Green will be closed on Saturday 18th August. The play park on the East of the Green will be out with the event perimeter and will therefore remain open for the duration.

On Friday 17th August, the riverside path will be closed from the West Boathouse however, an alternative route through the park will be sign posted. On Saturday 18th August 2018, the riverside path will be closed from West of the St Andrew's Bridge to Saltmarket. St Andrew's Bridge will be open throughout the event, please follow the directions of event stewards whilst audience vehicles are leaving the event site.

I have attached a copy of the Temporary Traffic Regulation Order for your information and more details are as follows;

Greendyke Street (from London Road to Turnbull Street) and Charlotte Street will be closed to normal traffic on Saturday 18th August. The closures will be implemented at 0400hrs on Saturday 18th August and will stay in place until 2359hrs on Saturday 18th August. Parking restrictions to help implement these closures will operate from 1600hrs on Friday, 17th August.

During this period an alternative access and egress route for residents who use the Lanark Street entrance will be jointly controlled by Police Scotland and SecuriGroup Ltd. Stewards. This will be:

- Greendyke Street onto Lanark Street for access.
- Lanark Street onto Charlotte Street for egress.

Stewards will be situated at the junction of Greendyke Street and London Road, **please retain your copy of this letter to gain access on event days.** Drivers with any questions, issues or queries on the day will be directed to a secondary stewarding point 100 metres along Greendyke Street.

Residents who normally park on Greendyke Street or Charlotte Street are advised to relocate their vehicles by 2200hrs on Friday 17th August. Any vehicles still parked in these areas after 2200hrs on Friday 17th August will be removed by Glasgow City Council Land and Environmental Services.

Vehicles will still have access to drive south on Turnbull Street and turn right onto Greendyke Street and then onto Saltmarket. In addition, pedestrian access along the north side of Greendyke Street will not be affected.

To alleviate inconvenience to local residents with regards to parking we will ensure the following:

- Residents who would normally use the Lanark Street entrance can access their parking area from Greendyke Street at London Road using the fenced lane provided. On approach to the junction of Charlotte Street, there will be a controlled crossing point for vehicles accessing Charlotte Street.
- Dyers Lane and London Road entrances will operate as normal.

We will provide security at each entrance from 0600hrs to 2000hrs on Friday 17th and Saturday 18th August to assist with the Residents Only Parking Policy and ensure that only residents with a copy of this letter gain access to parking within the Homes of the Future development.

We would also like to offer all residents in receipt of this letter two complimentary tickets for the event on a day of your choice, either Friday 17th August or Saturday 18th August. These tickets can be collected from **Glasgow City Halls Box Office** during the week of Monday 13th August to Thursday 16th August between 1000hrs -1800hrs and also on Friday 17th August at the World Pipe Band Championships Box Office at the Greendyke Street entrance from 1000hrs and 1700hrs. Please bring this letter along with a utility bill as proof of address.

We will be holding an information session at the Winter Gardens on Thursday 9th August from 1700hrs – 1900hrs. We would encourage you to attend this session to discuss details of the arrangements.

This event is organised by the Glasgow Life Events Team and with your co-operation we will make every effort to ensure the event runs smoothly with as little disruption to the local area as possible.
