

APPLICATION FOR COVERED TRADE STAND

**TRADERS VILLAGE
WORLD PIPE BAND CHAMPIONSHIPS
FRIDAY 12TH & SATURDAY 13TH AUGUST 2022
GLASGOW GREEN**

EVENT INFORMATION

For the past six decades, Glasgow has been a global meeting place for pipe band competitions. "The Worlds" is the largest event of its kind and this year's event will take place on Friday 12th and Saturday 13th August 2022. It also incorporates a series of related and impressive Scottish cultural events and a Scottish Food Village and Traders Village. The event is covered by the BBC on television, radio and on-line live web streaming around the globe.

The Grade 1 qualifiers will be held on Friday 12th and will take place from 1100hrs – 1700hrs with up to 6,000 people expected to attend. This will take place on a restricted part of the site. **The Traders Village will not operate on this day.**

On **Saturday 13th August**, the full site will be in operation from **0700hrs – 1900hrs** with an expected audience of up to 30,000 to attend on the day.

Arrival and Operating Times

Please select your arrival time on your application form. The park will be secured overnight by SGL security personnel if you wish to fully set up your area the evening before the event.

No Covered Traders will be permitted to enter the site out with the times stated. All Covered Traders must arrange their own exhibits and goods for sale within the space allocated to them and **MUST** be ready 1 hour before opening time i.e. by **0600hrs on Saturday 13th August**.

Covered Traders should not start to dismantle their units before the official end of the event after the conclusion of the Prize Giving (approximately 1830hrs on Saturday 13th). You will be informed when this can happen by the Event Organisers. Traders will be afforded **no vehicle movement** until an announcement lifting the curfew has been made by the Event Organisers. We expect this to be around 2100hrs on Saturday 13th August.

There will be a large number of Traders onsite at the World Pipe Band Championships therefore no Trader holds exclusive rights for the sale of any product. Event organisers will work to minimise similar vendors being pitched directly beside one another to allow for optimum trading opportunities.

Passes for all Covered Traders

Traders will be allocated 4 Trader Passes per stand.

One Trader car park pass will be allocated to each stand for the Traders Car Park. All vehicles must be parked in the Traders Car Park by **0700hrs** on the morning of the Event. There will be no parking adjacent to your trade stand and no overnight parking is available.
